

Maths Challenge at Dover College.

Year 1 at the Three Hills sports morning.

Year 2 PSHE - celebrating differences

**Learning holistically through God's unconditional love.**

Good afternoon.

The week kicked off with fantastic drama workshops run by KIC Theatre. Ian visits us twice a year and delivers drama linked to the classes topics for the term. The sessions are enjoyed by pupils and adults alike. Year 1 had a great morning being sporty at the Three Hills. They enjoyed taking part in all sorts of agility challenges alongside other local schools.

Five Year 6 pupils took part in a morning of maths challenges at Dover College - they competed against other local schools, worked brilliantly as a team and returned to school as the winners!

We regularly upload blogs to the school website, please take a look to see what your child has been up to with their class - <https://www.st-eanswythes.kent.sch.uk/blogs> You can also view them on our school facebook page as well. Please also look at your child's class page on the website for a newsletter from their class teacher - <https://www.st-eanswythes.kent.sch.uk/> Look on the 'Children' box, and choose your child's class from the drop-down box.

I wish you all a lovely weekend.

Best wishes.

Mrs Jacobs

## LATENESS

A reminder that all pupils should be in school between 8.15am-8.30am every day. We regularly monitor lateness and will contact families directly if this persists. If your child comes into school after 8.30am, it means they are missing register time and social time with their classmates. Walking into the classroom late will often unsettle children and affect their day.

## FAMILY TALK

Would you rather have a magic carpet that flies or your own personal robot?

DISCUSS THIS DURING CAR RIDES, MEAL TIME OR A WALK IN THE PARK

If I see and experience kindness everyday. It is more likely that kindness becomes a huge part of who I am as I grow up.
