**Ducklings
meet
Cooper.**

Learning holistically through God's unconditional love.

Good afternoon.

This week we have embraced our creative skills - Year 3 have enjoyed building 'biscuit-henge' with a variety of biscuits and Year 1 have loved making bread at Lubens. Year 6 have created fabulous holocaust pictures which are proudly displayed in their classroom and a group of Year 5 children have enjoyed reading to the residents at Glendale. The Ducklings have met Cooper the dog who will become a regular visitor to their classroom, he loves listening to our children read. They have also had a great first reading session with their Year 5 buddies.

Next Tuesday, the photographer will be in school taking individual children's photos. Younger pre-school siblings are welcome to come into school at 8.15am with their older sibling for family photos. You will be able to purchase the photos via the unique QR code that your child will bring home. There are more details on how you will be able to access the photos in the poster on the next page.

Next Thursday it is our Harvest Festival in the church at 2pm. You are all welcome to attend. Please send your child in with any of the products listed on the poster below and they will be able to put them on the display in the church. Your generous donations will be grateful accepted by the Rainbow Centre foodbank.

The new Ducklings have settled in beautifully and we are so proud of them. There are regular blogs added by teachers every week to our school website and our school Facebook page. Please take a look to see what the children have been up to.

Have a lovely weekend.

PTFA NEWS

On Tuesday, 1st October, we will hold our Annual General Meeting in the Community Room at 8.30am. We will be reviewing the past year, voting for the Chair, Vice-Chair, Treasurer and Secretary for the school year 2024-2025,

and go through the planned activities. We will also be electing Class Representatives to help with communication between school and parents. If you cannot make it to the AGM but would like to stand for Class Rep, please let us know by email or contact Myriam on 07772027166.

All welcome!

The Christmas card design forms came home in bookbags and an explanation letter was sent by email last week. There are some left at Reception, so you can collect one if needed. Make sure to follow the design instructions to avoid any disappointment. Please send your child's completed design form and payment by next Friday, 4th October. Do not hesitate to contact us if you have any questions about this fundraising activity.

Mark your calendars! Break the rules day is back! It will happen on Friday 18th October. More details in the next newsletter, so watch this space.

We wish you a creative weekend and look forward to seeing many of you on Tuesday.

We are collecting Harvest donations for the Foodbank at the Rainbow Centre.

Even the little contributions soon add up and make a huge difference to them being able to help those who are struggling to buy food at this time. Only tinned fruit, vegetables, meat or fish – unfortunately no fresh produce. They have a surplus of baked beans and pasta so would prefer a tin of tomatoes instead of beans or some instant noodles or pasta in sauce instead of pasta itself. They would be grateful for any contribution but have a shortage of:

- meals in a tin.
- tinned tomatoes.
- fruit juice.
- UHT milk.
- spreads.
- jam.
- tinned meat.
- tinned fish.
- cooking sauces.
- snacks.
- gluten-free foods.
- ketchup/mayo/BBQ sauce.
- instant noodles.
- pasta in sauce.

School Attendance

Every day counts...

Good attendance helps with...

- Academic Achievement**
Regular attendance helps children keep up with the curriculum and perform better academically.
- Social Skills**
Attending school regularly helps children develop friendships, social skills and learning how to interact with others.
- Routine & Responsibility**
Good attendance teaches the importance of commitment, routine, and responsibility, which are all valuable life skills.
- Focus & Engagement**
Children who attend school regularly are more likely to stay engaged in their learning and develop a positive attitude towards education.
- Building Confidence**
Regular attendance can boost a child's self-esteem and confidence, as they see their progress and achievements over time.
- Enhanced Learning Opportunities**
School provides not just academic instruction, but also extra-curricular activities and enrichment opportunities.

Over half a term missed!

Having 90% over 5 school years, is half a school year's work missed!

Did you know there are...

- 265 Days in a Year
- 190 School Days
- 175 Non School Days

Uniform Shop

We have lots of second hand uniform. Please pop into the office if you need anything. We just ask for a small donation for any items, except blazers that are priced at £5.

We're coming to your school!

On Tuesday 1st October we will be in your school to take individual and sibling photos. Your school will give all the details soon.

After our visit, check your child's bag for your unique QR access code.

Scan the QR code with your phone or enter the access code on our website to view and order your favourite photos!
