**Learning holistically through God's unconditional love.**

Good afternoon.

Squash and golf kicked off the week in style. Year 3 and Year 6's PE this term will be from the Squash academy so these two classes will need their PE kits in school on a Monday. The whole school benefited from a session with a golf coach on Tuesday – it was a lot of fun and enjoyed by both pupils and adults.

I can give you a 'Project-new-Boiler' update – we are on target for the new heating system to be completed in the Autumn term. To summarise so far, the majority of first-fix (overhead) installation works are expected to be complete by the end of February, with builder's works such as boxing-in and making good commencing in early February. Installation of the new air source heat pump pipework will begin towards the end of February, with removal of the existing heating system planned from April. Disruption to the school day has been minimal so far, with the work happening after school and during the school holidays.

Year 5 and 6 are off to the O2 on Thursday. Please check your email today for details about the day. It should be a great experience for them.

The weather looks like it is warming up at last but please still bring coats.

I wish you all a lovely weekend.

Best wishes.

Mrs Jacobs
