

## St Eanswythe's School Uniform

We believe that a school uniform is important

- It looks smart
- It wears well
- It contributes to a sense of pride
- It gives a common identity

We require that parents co-operate with us in adhering to the school uniform policy. We require our children to present themselves as smart, capable members of our community with high expectations of themselves and each other.

We ask that all children wear full uniform every day and we encourage learners to maintain a good standard of clean and tidy dress for school.

The wearing of uniform is a very strong tradition of the school.
