St Eanswythe's News

Well, this week has definitely felt more Autumnal and we have enjoyed seeing the children admiring the changing landscape of the trees and leaves surrounding our playground. Please remember to send your children with a coat everyday now as the weather is cooling down and we are being greeted with more regular downpours!

To celebrate this wonderful time of year we started our week off with a fabulous Harvest Festival held at the church. The children wowed us all with artwork, singing, poems and prayers and their hard work was appreciated by lots of parents who joined us there. A huge thank you to our families who supported this event with your generous donations for the Rainbow Centre - they will benefit so many families in need.

On Wednesday, Year 1 went to the Quarterhouse to watch a puppet show of 'There's a Monster in Your Book' by Tom Fletcher. They had lots of fun joining in with the audience participation and were beautifully behaved walking there and back and sitting throughout. Well done Year 1!

We finished the week with our first open afternoon for prospective parents which was a huge success. There was some fantastic learning taking place across the school showcasing the amazing offer we have here at St Eanswythes.

We will be holding our first Celebration Worship to award our values badges on Friday next week. If your child has been nominated for an award you will receive an invite via email to this special worship. We look forward to welcoming lots of parents to these throughout the year.

PTFA NEWS

Thank you so much to everyone who attended the PTFA meeting on Zoom last night!

This year, one of our main goals is to raise £6000 to help the school refurbish the playground equipment, so discussing plans for this was one of the main topics.

You should have received an order form for your children's Christmas card design this week. Please check out all the lovely options that are on offer and make sure you order before the deadline, Sunday 18th October.

We also have the families' bike ride this Saturday, 10th of October and have attached details of the route. It should be great fun and everyone from school is welcome to join with their families.

We look forward to seeing you there!
