January
Whole School Art Challenge

As part of your Home Learning activities we are inviting everyone to get involved in this month's Art Challenge, which is inspired by the title ***'Nature in Winter'***.

Take inspiration from the famous sculpture Andy Goldsworthy and create your own 'Nature in Winter' work of art. Take a photo of your magnificent art and email it to gpurver@st-eanswythes.kent.sch.uk and we will create an online gallery using your photos.

You can find out more about this wonderful artist by following this link:
