

Key Stage 1 Art

Week beginning Monday 18th January 2021

Zentangles

This week we will build on your exploration of 'Mark Making' from the last session and we will be investigating patterns by drawing a Zentangle.

To find out more about Zentangles, Anitra Redlefsen explains in her wonderful Kinder Art blog, [click here to read more](#).

For this Art session you will need a piece of A4 plain paper, a pencil or pen, colouring pencils or pens and access to 'youtube' to play the video created by Fajar.

Fajar uses his hand to create an intriguing Zentangle. He leaves his with a stunning contrast of black and white, however you could colour yours in when you are finished.

We would love to see your Zentangles so please do send us a photo 😊
