

Key Stage 1 Art

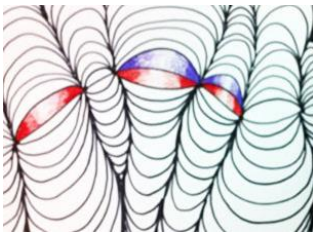

Week beginning Monday 1<sup>st</sup> March 2021

**Bridget Riley**  
**Line and Optical Illusions**

Well done to everyone who completed their line work last week (if you haven't please click on the link to last week's lesson as you will need to complete that before beginning this one.)

- For this Art session you will need your line design paper from last week and 3 different coloured colouring pencils.

1. Using your colouring pencils fill in the spaces. Press harder in the corners and get lighter towards the middle.

2. Near the middle you could even leave it white.

3. Use a different colour for each space and create a repeating pattern.

4. Complete until all the spaces have been coloured. This may take a few sessions 😊

If you have not yet had the chance to find out more about Bridget Riley, you can find out more about her on the Tate website, [click here to read more about her.](#)
