Chinese New Year **Paper Plate Twirling Dragons**

This year Chinese New Year falls on Friday 12th February, so we thought it would be a nice idea to suggest an Art activity for you to create, to help celebrate. The Red Ted Art website has some wonderful suggestions and we thought their twirling dragons would brighten up any window.

For this activity you will need:

- One paper plate (You could use a cardboard circle cut out of a cereal box!)
- Red paint/Paintbrush
- Free Dragon printable (scroll down to second page)
- Scissors
- Glue
- String and Stapler for hanging
- Colouring pens/pencils

Red Ted Art have created a fun video tutorial for how to create these twirling dragons; please note that this video has been carefully selected and watched to ensure its safe content. There is a short advert at the beginning of the video, which we do not recommend you follow, as it is not related to the dragon activity. [Please click this link to access the video tutorial.](#)

We would love to see your twirling dragons, so please do send us a photo 😊
