

Key Stage 2 Art

Week beginning Monday 22nd February 2021

Welcome to a lesson created by Liz at the Oak Academy

For some of the parts of this session you will need an adult to help or supervise.

For this Art session you will need:

A sketchbook (or access to plain paper)

A pencil

Coloured pencils

Glue

A4 paper (plain, coloured or patterned)

A ruler

Scissors

In this lesson, you will learn about a range of creative crafts. You will focus on the types of materials and equipment used in weaving. You will experiment with paper weaving and will use a sketchbook or paper to record your ideas and what you have learnt.

We would love to see your paper weaving that you create using this technique, so please do send us a photo 😊
