Dear Parents/Carers,

On Monday evening the Prime Minister, Boris Johnson, announced that the country would be entering a third lock down from Tuesday 6th January. As a direct result of this announcement, all schools will only be open for children whose parents/carers are on the critical workers list and vulnerable children whilst switching to remote learning for all others.

We are now preparing to deliver remote learning for all pupils up until at least the end of term three. There is learning available on the website and tasks have been set on Purple Mash and Mathletics for all children.

From Sunday (10.1.21) the teachers will contact you directly to inform you about each class's individual learning. This will happen on a weekly basis.

If you are a critical worker and your child qualifies to come into school please can we ask you to very carefully consider if your child needs to physically come into school. We are in a full national lockdown because we are currently facing an increasing crisis in the NHS with record numbers of infections, and sadly numbers of deaths, rising on a daily basis.

Although we fully recognise the importance of children attending school, we must also not lose sight of the main message of this lockdown – 'Stay at Home, Protect the NHS, Save Lives'.

Only by reducing numbers of contacts in school can we significantly reduce the risk of infection to our staff, pupils and families. We ask for your full cooperation and consideration as we tackle the next few difficult weeks.

We would like to thank you for your continued support and understanding.

Warm Regards

Mrs O'Callaghan and Miss Laws
