March
Whole School Art Challenge

I am sure we have all noticed the wonderful glimpses of Spring – the brighter evenings, the warmer air, the sound of birds and the pops of colour from the daffodils and crocuses.

This month's challenge is a photography challenge:
When you are outside in your garden, in the park or even on your walks have a look for an interesting, beautiful, unusual or intriguing hint of Spring and take a picture of it.

Make sure to send it to gpurver@st-eanswythes.kent.sch.uk
