Dear Parent/Carer

The new parent app – easy access to important school information

We have a convenient new way to share information with you about your child's contact details. This App replaces the paper data collection form, is secure and complies with the new GDPR (General Data Protection Rules)

From 3rd October 2018 you'll be able to access our new parent app.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

You find in the SIMS Parent app:

Access to update your contact details, so we always have the most up-to-date information in case of emergency

If you have more than one child at school, you'll have access to information for all your children, from the same app.

In the future other features will be available to help you to stay up-to-date with your child's school life.

Getting started with the SIMS Parent app

We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.

You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.

From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.

From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. Your activation email will expire after 14 days if it is not used, please contact the school office if you require a replacement after this date, or have any other queries

Yours sincerely,

J O'Callaghan & S Laws
