

Dear Mrs. Garrett and the children of  
St Eanswythes school,

We found these two beautiful samples  
that were made at your school a very  
long time ago - 121 years ago in 1886.  
The colours are still very vivid so  
I imagine that they have been kept  
out of sunlight.

My grandmother had them in  
her sewing cupboard. Sadly she  
died a few weeks ago so we can't  
ask her more about where they came  
from. Her name was Anne Laurie  
Batchelor (Born 01.09.1915). I made a  
small search on the internet to  
try and find some information on  
Amy Fidge. I have enclosed the  
print-outs for you to see though I  
am sure that your school records  
will shed much more light on them.  
I hope you will enjoy them,  
from Lucy x
