| <p>a. Play some Maths games on Mathletics or https://www.topmarks.co.uk/maths-games/5-7-years/counting</p> <p>b. Find out how old members of your family are and write their ages in words and numbers. Put them in order from youngest to oldest.</p> <p>c. Write and complete addition and subtraction sentences within 30.</p> <p>d. Find out when members of your family birthdays are. Write them down then write them in order from January to December</p> <p>e. How big do you think the leaves on the beanstalk were in Jack and The Beanstalk? Take a tape measure or ruler and go outside. Measure different leaves you find!</p> <p>f. Find and follow a recipe for fairy cakes. Carefully measure out the ingredients using scales.</p> | <p>a. Watch an old fairy tale film version e.g. Snow White and the Seven Dwarfs and a new one e.g. Tangled. Which one did you prefer? How is the animation different?</p> <p>b. Use Microsoft word or a similar programme to type a review of your favourite animated fairy tale.</p> <p>c. Create a PowerPoint to show the times tables that you know.</p> <p>d. Complete tasks on PurpleMash and practise maths on Mathletics.</p> <p>e. Create a colourful picture of a fairy tale castle on the computer using 2D shapes.</p> <p>f. Using a computer, research recipes on https://www.bbcgoodfood.com/recipes/category/family-kids. Find some that you would like to make.</p> | <p>a. Practise your letter formation for both lower case and capital letters by writing out the alphabet. Can you write it out backwards as well?</p> <p>b. Write your own potion. Include ingredients and instructions on how to make it.</p> <p>c. Read as many fairy tales as you can! Practise using different voices for different characters when you read aloud.</p> <p>e. Write an invitation to a Royal Ball at a beautiful fairy tale castle and design a menu for all the fairy tale guests.</p> <p>f. Practise your phonics sounds using your RWInc books or flashcards. Can you practise for 10 minutes daily?</p> |
| 4. Working with Others | Year 1 Home Learning Grid - Term 5 - Fairy Tales | 5. Expressive Arts |
| <p>a. Goldilocks ate the Three Bears porridge. Find out what porridge is made from. Have a go at making some; maybe you could try it with different toppings!</p> <p>b. Find and follow a recipe for fairy cakes. Decorate them so they look as lovely as they taste!</p> <p>c. Using items from around your house and recycling box, can you make a suit of armour or helmet for a knight? You could always draw and label a picture instead.</p> <p>d. Build houses out of different materials for the Three Little Pigs. Test them using a hair dryer for the Big Bad Wolf!</p> <p>e. Create a home for a fairy or a pixie from a milk bottle or something similar.</p> | <p style="text-align: center;">Home Learning Choice Grid</p> <p>In term 5, Year 1 would be continuing to learn all about traditional and magical fairy tales. Here are some tasks that could be completed while school is still closed.</p> <p>Some of the activities can be done daily, such as phonics, reading and maths practise. Lots of the activities are linked to the topic.</p> <p>If some items will not last long, you could take a picture of you with it. E.g. cakes / Easter garden.</p> <p>If children have any amazing ideas, please feel free to create any other work they would like based on the topic, or not! Hopefully they will have fun!</p> | <p>a. Make your own magic wand and write a spell.</p> <p>b. Design and make some fairy tale characters finger puppets.</p> <p>c. Build a tower for Rapunzel. What will you use to build it?</p> <p>d. Make a crown fit for a magnificent royal ruler in a traditional fairy tale.</p> <p>e. Create a dance that could be performed at a fairy tale ball.</p> <p>f. Create a miniature magical door for your bedroom at home. What exciting adventures happen behind the door?</p> |
