

<p>Make a Bird Feeder Invite summertime birds to your garden with a DIY bird feeder. To make it, simply coat sticks with peanut butter and roll them in birdseed. It's the perfect opportunity to learn about nature and animals.</p>	<p>Decorate Rocks Collect some rocks. At home, decorate the stones with paint, stickers, markers, glitter, and other art supplies. Display the finished products around the house, use them as paperweights, or give them to relatives!</p>	<p>Build a Backyard Obstacle Course Construct a backyard obstacle course with hula hoops, jump ropes, sticks, stones, hoses, and other materials from around the house. Take turns completing it—and the person with the fastest time wins a prize!</p>	<p>Make Easy Slime Mix up a bowl of slime you can shape into balls or let ooze from your fingers.</p> <ol style="list-style-type: none"> 1 Pour one cup of water into a large mixing bowl 2 Add a few drops of food colouring 3 Slowly stir in two cups of cornstarch 	<p>Make Sponge Water Bombs You need 3 sponges for each water bomb you make. First, cut the sponges into thirds. Then stack the nine pieces. Lastly, tie a rubber band or hair tie around the centre of the stack. Fluff out the sponge pieces and you are done!</p>	<p>Start a Summer Photo Diary Snap a photo of something each day, print the photo and place it in an album along with a few notes about that photo.</p>
<p>Make Sunscreen Art This is a sensory and art activity. Just put sunscreen in a bowl and paint on black paper. Then lay the pictures in the sun and watch how the picture changes!</p>	<p>Make Soap Foam Put 1/4 cup of water, 1 tablespoon of dish soap, 1 tablespoon of corn starch and food colouring into a blender. Blend until foamy (just around 20 seconds). Put into a large tub and play.</p>	<p><u>Year 5</u> Summer home learning grid</p> <p>This grid contains ideas for home learning in addition to the Year 5 work on Google Classroom</p>		<p>Write a Journal Writing in a journal will not keep a child occupied for long periods while you work, but it's a good way to start the day or transition from one activity to another.</p>	<p>Learn about the Night Sky Search for constellations and mark them down on your sky map (there are a ton of them online)</p>
<p>Make a 2020 Time Capsule (and bury it) Make a good map of where you've buried it for when you want to find it years later.</p>	<p>Egg drop Come up with inventive ways to secure and protect an egg so that when you drop it from a window it does not break.</p>	<p>Create a Magazine Think about what goes into a publication (browse lots of magazines first). Plan out a long-term project and collect up and layout pictures. When it's done, make copies and distribute it to friends and family.</p>	<p>Write to a Pen Pal There is still a thrill to receive a letter in the mail. And in this, one must give in order to receive. Your Pen pal does not have to be a distant stranger. They could be a cousin or grandparent etc</p>	<p>Make a Joke Book Simply fold over some paper and staple. You can design their covers. Then, search the internet for funny children's jokes and write them in the book.</p>	<p>Write a Story using Photos for the Pictures Take some photos, print them out and write a story to go with the pictures. You could ask your family to help you create freeze frames for you story idea.</p>
