| <p>Make a model of a boat. This might be a sailing dinghy, barge, canoe, tanker or any other boat you might find on a river.</p> | <p>Investigate two different coasts: 1 from the UK and 1 outside the UK. Include: Images, a map of each coast, interesting physical facts (rock type, beaches etc) and interesting human facts (pollution, tourism etc)</p> | <p>Using the tune of a well-known song of your choice make up your own river song.</p> | <p>Create a geography dictionary on coastal key words that could be used to teach a future class.</p> | <p>Produce a fact file (this could be a PowerPoint or Google Slides presentation) on 3 world rivers. Include as many interesting facts as you can.</p> | <p>A river's depth relies on rainfall. Make a rain gauge and keep a record of how much rain falls over 3 weeks. Produce a graph or table to show your results.</p> |
| <p>Create a collage showing the power and danger of the sea.</p> | <p>Design a Powerpoint or Google Slides presentation that could be used to promote tourism in a coastal town/city that is NOT in the UK.</p> | <p><u>Year 5</u> Rivers and Coasts Home Learning Grid</p> <p>This grid contains ideas for home learning in addition to the Year 5 work on Google Classroom</p> | | <p>Create a game about a British river. Remember to research as much information as possible. Don't forget the game instructions!</p> | <p>Label the longest river in each continent on a map of the world.</p> |
| <p>Create a sculpture of a river creature or plant. You could use clay, salt dough, papier mache or any material of your choice.</p> | <p>Create an awareness campaign to encourage people to stay safe at the coast. It can be a leaflet, video or radio advert.</p> | <p>Draw or paint a picture of a river scene. You could use water colours or any medium you choose.</p> | <p>Write a story with a river theme. Maybe there is a river monster or a creature which comes to life!</p> | <p>Write a poem about a river or river creature.</p> | <p>Make a labelled diagram or model of the water cycle.</p> |
