Staffing

Sam Jull left St Eanswythe's to work at St Martin's. At the end of the summer term Michelle Casey and Sally Gurney will be leaving St Eanswythe's. From September we have three new teaching members of staff; Jodie Price, Nick Brinkley and Jane Willson.

Health and Safety

Regular fire drills were undertaken.
Health and safety visit from Directors

Budget Report

As we come to the end of our financial year we are looking at a projected roll-forward of £69,000.

During this financial year the following expenditure has taken place:

- Upgraded our security and fire alarm system
- Refurbished staff toilets

We have received extra income in the form of Higher Needs Funding of £27,000 which is used for additional TA support.

The last Independent Financial Audit took place on 7 March. The conclusion was that Directors may remain confident all procedural responsibilities of the Board, in terms of financial management are being exercised accurately and diligently. Best value is always sought for the Academy Trust.
